

DEBORAH BLYTH

London based jewellery designer, Deborah Blyth, handcrafts all pieces through the process of lost wax casting. Her passion for the arts and love of nature combine to influence her process.

Classic yet contemporary, Deborah Blyth's signature design aesthetic celebrates the beauty of imperfection. Deborah aims to be as sustainable as possible, each piece created from start to finish within a small area of North London using only recycled metals.

MADE IN LONDON

All designs are Sterling silver and available in gold vermeil or 9 carat gold.
